**LinkedIn:** <https://www.linkedin.com/in/tai-shan-lin-122682105>

My passion is at the intersection of business and technology, where technology can empower businesses to scale & improve efficiencies.

## Work History

**2018-05 - Current**

### **Business Analyst**

*Bank of Montreal, Toronto, Ontario*

- Led requirements gathering for MRA Consolidation project with commercial and corporate banking stakeholders.
- Led requirements and designed the wireframes behind the House Limit Exceptions feature in Loan Transaction System.
- Led technology collaboration with UAT over the course of Moody's Risk Analyst decommissioning & Digital Onboarding projects.
- Led the data migration portion of Moody's Risk Analyst decommissioning using SQL & Python.
- Designed & implemented financial reporting for credit analysts as part of the in-house Risk Rating Tool.

**2017-05 - 2018-04**

### **Business Technology Analyst**

*Sci.Ai, Creative Destruction Lab, Toronto, ON*

- Designed the first draft of Sci.Ai's business model, its market segments, and product-market fit hypothesis.
- Increased user traffic to Sci.Ai website by 20% per month for 3 consecutive months.
- Implemented a sales pipeline for Sci.Ai by scraping LinkedIn contacts associated with biotechnology & pharmaceutical companies.
- Implemented a discount cashflow model to project Sci.Ai's 2017-2019 required runway capital.

## Education
